

BRING FORTH THE BIRTH

The LORD GOD Almighty spoke to me and said we are pregnant.

We are pregnant with dreams, goals, inventions, books, enterprises and etc.

We carry the seed to the full term and do not have the strength to deliver.

Isaiah 37:3, "...: for the children are come to the birth and there is no strength to bring forth."

The scripture states in John 1:1, "That in the beginning was the Word and the Word was with God and the Word was God."

And verse 14 states "And the Word was made flesh."

The book of Revelation 19:3 states, "And he was clothed with a vesture dipped in blood: and his name is called The Word of God."

I believe we are born pregnant.

We have God's seed in us, which is His Word.

JESUS was the first begotten of many brethren.

John 1:12 states, "But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name:

John 1:13 continues, "Which were born not of blood, nor the will of the flesh, nor of the will of man, but of God."

The story of Mary has many facets.

Mary received a message from God, she was highly "favoured and blessed" among women.

Luke 1:31 continues, "...thou shalt conceive in your womb and bring forth a son, and shalt call his name Jesus."

Mary wondered at the message of her having a son, because she was a virgin.

The messenger told Mary the Holy Ghost would come upon her and cause her to conceive the child.

That which was placed in Mary was not by blood, the will of flesh nor by man but by God, (John 1:13).

We have to want to be in the position of Mary.

We need to be a virgin.

We need to be in prayer.

We need to have the mind of Christ.

We need to have quiet time with God, JESUS, the HOLY Ghost and God's word.

We are not to listen to the voices of the world.

Above all we need must have the same vision for our lives that God has for our lives.

We must be virgin minded and we must be singular minded.

The voices of world cannot be in our lives.

Defeat and failure are death to the growth of our strength.

The world is enmity with God and to be carnal minded is to think as the world does on defeat and failure.

There is no defeat and failure in Christ.

The more we think on God's world, our mind will be transformed. The transformation will produce light and truth, which are important requirements to cause the HOLY GHOST to cause God's word to grow in us.

The light of God's word and His truth produces growth, strength and victory which cause us to have power to become the sons of God.

We need to have our hearts and minds on the gifts and callings God has placed within each of us.

Romans 8: 7 states, "Because the carnal mind is enmity against God: for it is not subject to the law of God, neither indeed can be. "

Do not allow your minds to be full of thoughts that do not line up with the Word of God.

Cast down all thoughts that you are not good enough for a ministry, gift or calling.

Do not entertain the thought that you are not special and only special people do things for God.

You are special because you are a child of God.

God has given gifts and callings to who He will.

Let no man steal your crown.

JESUS sent the HOLY GHOST to baptize us with power.

Mark 2:22 JESUS said, "And no man putteth new wine into old bottles...but new wine must be put into new bottles."

Matthew 9:17 state, "...But they put new wine into new wine skins and both are preserved."

These scriptures reference the baptism of the HOLY GHOST.

JESUS gave us new life.

He made us new creatures.

The scripture, 2 Corinthians 5:17 states, "Therefore if any man be in Christ, he is a new creature: old things are passed away, behold, all things are become new."

JESUS caused us to have new spirits so the HOLY GHOST can come in and endue us with the power of God.

According to John 1:12, "But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name."

The Word of God can only be in those who are the sons of God.

The purpose of the baptism of the HOLY GHOST is for him to make his abode in us to bring the life of God's word into our spirits and nourishment the gifts and callings God has placed in each of us.

We need to be pure before God.

We need to ask God to help our minds to be pure.

The purpose of a pure mind is to have a virgin mindset.

The virgin mindset is to keep our minds on God and JESUS and to allow the HOLY GHOST to teach us, lead us and guide us into the truth of the God's Word.

We are not to allow our flesh to intercept the nourishment of God's Word.

We need to want the life and light of God's Word to be the nourishment of our seed.

God does not produce miscarriages nor stillborn babies.

If a dream or a goal does not come forth that means the nourishment you gave that dream or goal was not healthy or insufficient.

It was not the right nourishment.

It means the word you are putting in your spirit to provide the healthy environment to cause your dreams or goals to birth is not the Word that God has chosen for that dream or goal.

The HOLY GHOST knows what Word of God is necessary to provide nourishment to the seed God has placed in you.

The HOLY GHOST knows how to wash the water of the word.

The HOLY GHOST knows how to cause the Word of God to be alive in us.

He knows how to cause the living Word of God to be meat for the ministry, dreams and goals God has placed in us.

The life of God gives us the spiritual strength to bring forth the birth of our dreams and goals.

God placed in us the seed to be ministers, healers, deliverers, teachers, business owners, helpers, etc.

Just as the HOLY GHOST came upon Mary and caused her to conceive that which was holy (the Word of God) so is the seed God put in us is holy.

The HOLY GHOST has the same ministry in our lives that He had in Mary's life.

He is to strengthen us to bring forth and birth God's Word in our lives.

He makes sure the gifts and callings are being nourished.

The HOLY GHOST causes us to have the strength to bring forth the birth of these wonderful gifts and callings.

We learn more about God as the Holy GHOST teach us what the word means and how it is to be applied to our lives.

Many people have passed their birth due date.

They did not have the strength to push the baby (their ministry, gifts or callings) out.

These pregnant sons of God, walk on the dirt road of life being fearful and unbelieving.

Many fear the birth process.

They do not know if they will have the strength to push the baby out.

They are fearful of how their lives will change and if they can live a life with more power and purpose.

Many do not believe God can change their lives.

They love God and JESUS.

They applaud others who finally make a decision to trust God with His purpose for their lives.

They never taste and see that God is good for them.

God wants all His sons to know Him and trust that He will only give you the best to help you grow into the image of His son JESUS.

Many never know or believe they are pregnant with God's seed.

Some have been beaten down and told they are not worthy to preach God's Word or give a Word from God to someone.

Many sons of God have been told they do not have "seed" in them.

They are not the selected or the call and to accept whatever man tell them they are.

That's why we have to be like Mary.

We must be virgins.

We must have the mind of Christ and think on God and JESUS all day.

We must meditate and trust the Word of God that the HOLY GHOST gives us.

Amos 3:3 states, "Can two walk together, except they be agreed?"

Part of being "virgin" minded is that our vision is the vision God has for us.

We have to make a decision to walk together with God in His vision for us.

How do we walk together with God in the vision He has for us?

We accept the Word of God the HOLY GHOST gives us and we allow Him to teach us and lead us and guide us into the truth of that Word of God.

We daily think on that word and allow the truth the Word of God gives us to transform us into the sons of God.

We know the Word of God is truth and life and our minds would be full of truth and life.

But we know a carnal mind thinks on the things of the flesh and that is enmity with God.

With a carnal mind, we cannot please God. Because we are in enmity with God.

A person who thinks and meditates on the Word of God will walk in the truth and the light of the Word of God and that Word causes them to agree with God's vision and plan for their lives.

To walk with God is always life and life abundant.

We need to say to God as Mary said, "... Behold the handmaid of the Lord; be it unto me according to thy word..."

We must agree with the Word of God in 2 Timothy 1:7, "For God hath not given us the spirit of fear, but of power, and of love, and a sound mind."

It is important to have a sound mind.

The sound mind allows us to test the spirit by the spirit.

When people speak and tell us what God has said or what God means for our lives, we need to try the spirit (1 John 4:1, "Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone into the world.")

When the devil brings forth an attack against us, our church, or ministry or dream or our family, etc. we would have a sound mind to think upon the scriptures and apply the scriptures against the attack.

Our victory against the devil's attacks is only in the Word of God.

Philippians 4:3 states, "I can do all things through Christ who strengthens me."

JESUS has given us all the power we must have to be strengthen to bring forth the baby of victory over the devil and his attacks against us.

The seed of God's Word cannot die.

The seed of God may not grow, in us, to give us strength to burst forth and to deliver the child; whether the child is a musical career, a profession, getting education, becoming a prophet or seer.

Many people believe somebody can help deliver the child God put in them.

God never said another will help deliver your child.

You have to have the strength to go through the delivery process.

The strength to bring forth and push the nourished and grown seed of God's Word out of your spirit can only come through the HOLY GHOST.
