

THE DECISION

THE DECISION

The little girl knew a decision had to be made.

She knew her FATHER the KING sent her into the world to invite people to HIS banquet HE made for HIS Son JESUS the Christ.

She knew she loved the KING and would follow HIM and go wherever HE said.

She knew love in its' purest.

She knew GOD'S LOVE.

The little girl thought about Joshua and giggle.

She thought about Joshua said he killed people.

She thought about the scary Natalie.

The sad Emma.

The Mattie who was always looking out the window to far-away places.

The little girl thought about daddy Wes, not her FATHER, because he was Momma Betsy's husband.

She saw so many of his tears for her.

He thought she was going to die.

Wes sat with her and cared for her until her end came.

When GOD raised her up from death Wes was not prepared for her to live, but he continued to care of her.

She could see the worry on his face.

She saw he was reading his medical books to find out if there was anything to get her better.

The LORD GOD Almighty began to create new skin to cover her eaten back, Wes saw it and was startled.

He continued to wash and bathe her.

The more he cared for her the more his love grew for her.

The little girl was in great pain.

Wes continued to administer the herbs to her and begged for the pain to stop.

The little girl would pray to GOD for something for Wes to help him to not feel bad for her.

She prayed for Natalie and Wes to get married.

But Wes' heart went to Momma Betsy.

The little girl said she could feel the heaviness of Wes' heart began to get lighter as Momma Betsy came into his heart.

She called them her family.

They knew she would die.

They would be with her to the end.

The only one that knew she would live was Joshua.

The little girl would hear Joshua everyday asking the LORD GOD Almighty to let his friend live and be better and have the pain stop.

The little girl was not conscious, she was in a spiritual prayer room.

She was constantly praying.

Even when she was screaming from the horrific pain, she was praying to her FATHER, WHO love her.

She could feel the bodily pain, the more she prayed she felt her body listening to her prayers to live in JESUS' name.

Her body begin to obey the Word of GOD to heal.

She was at peace in her prayer room before the LORD GOD Almighty.

The LORD GOD Almighty would put many requests before her.

She would constantly pray for those things.

HE was teaching her through the HOLY GHOST what type of prayer to pray.

HE would give her the scripture and what Word of God HE wanted the HOLY GHOST to teach her.

The LORD GOD Almighty started releasing the gifts HE put in her.

The LORD GOD Almighty saw the little girl was obedient to HIM and HE started imparting more strength and power of HIS Word to her.

JESUS was her constant companion.

HE would come in her prayer room and show her how she must walk in agreement with the LORD GOD Almighty in HIS Word.

JESUS told her there would be nothing impossible to her and those who believe.

HE opened a wall and showed her the result of the prayers the LORD GOD Almighty had her to pray to HIM.

The little girl loved what she saw.

It looked like a picture that was being painted, full of color.

She saw the friendless receiving friends.

The kids who did not have food, she saw the LORD GOD Almighty provide food.

The people who had farms and their ground was hard and they could not plant and those who planted the hard ground covered their seeds because there was no water. She saw the LORD GOD Almighty send rain. The plants began to burst forth.

People and children who were sick, some went to the LORD GOD Almighty and some of them were healed.

She could see the prayers the LORD GOD Almighty wanted her to pray.

HE trusted her because she was obedient to HIM.

She, as a little child, walked in a heart pure to do HIS will.

The more she was obedient to the LORD GOD Almighty's Word the purer her heart was becoming before HIM.

The things of this world, those things that did not belong to the LORD GOD, as she trusted HIM to remove from her could not cause her prayers to be hindered.

Many people who did not have a personal relationship with JESUS, the little girl stood in the gap for them.

She would be in the prayer room and prayed for them before the LORD GOD Almighty.

JESUS knew the attack of the devils in the dogs had shaken her innocence.

HE showed her the attack was meant to kill her, to keep her from going to the next town which was a strong hold of the devil.

JESUS showed her the people waiting for her.

They are waiting for the LORD GOD Almighty to come.

They do not have the strength and purity of heart to stand before HIM.

The little girl knew the enemies that attached themselves to her from the attack.

Fear.

Failure.

Disobedient.

The thought she failed the LORD GOD Almighty.

That she was disobedient to the LORD GOD Almighty that is what caused her failure.

JESUS showed her the success of her prayers of intercession.

HE showed her there was no failure in HIM.

The more the little girl asked the LORD GOD Almighty to deliver her from the evilness of the attack.

HE saw her obedience and gave her strength to resist the devil and the devil fled.

The attack now of the devil since he saw she could not die, is to shake her belief and trust in the LORD GOD Almighty.

That HE could not protect her from the devil.

HE could not deliver her from him.

All her prayers could not work against him and his evil ones.

JESUS strengthen the little girl's faith everyday.

JESUS reminded the little girl of Matthew 6:9-13.

HE told her HIS disciples asked HIM how to pray.

HE told them," After this manner therefore pray ye: Our Father which art in heaven, Hallowed be thy name. Thy kingdom come, Thy will be done in earth, as it is in heaven. Give us this day our daily bread. And forgive us our debts, as we forgive our debtors. And lead us not into temptation, but deliver us from evil: For thine is the kingdom, and the power, and the glory, forever. Amen."

JESUS explained to the little girl those five sentences were spiritual principles of having an effective prayer life with the LORD GOD Almighty.

JESUS showed the little girl, to ask for forgiveness of her sins everyday, to ask the LIVING GOD for HIS bread. Ask for HIS Word everyday so she live from HIS bread and not the bread of the world. Ask the LORD GOD Almighty for the things of HIS kingdom to come into the earth, health wealth, prosperity, lack of fear, peace and joy. Ask the LORD GOD Almighty to keep her from the temptations of the world, according to 1 John 2:16

JESUS said, "For all that is in the world, the lust of the flesh, and the lust of the eyes and the pride of life is not of the Father but is of the world."

The purpose is to keep her from having a pure heart and being a vessel that the LORD GOD Almighty could use for HIS glory.

HE showed her the effectiveness of her prayers with a pure heart before the throne of the LIVING GOD.

JESUS was showing her the more of a pure heart you have the more effective your prayers.

When your heart is not pure enough to petition the LORD GOD Almighty, HE assign's a prayer warrior and intercessor to help stand in the hedge of the gap to get the answer and resolution, while the LORD GOD Almighty is working on that person's heart which is his soul.

The LORD GOD Almighty released HIS Word to the little girl because her heart is pure enough as a vessel to hold HIS Word.

A vessel HE could use.

Her vessel must be clean and pure before HIM, so HE can hear a prayer that needs to be prayed and answered.

The ones who need the problem resolved does not have a pure heart.

Their hearts are filled with anger against the LORD GOD Almighty.

They are bitter.

They are jealous.

They hold malice in their hearts.

Have bad thoughts against their brethren.

Their hearts are not pure before the LORD GOD Almighty.

JESUS said, the LORD GOD Almighty cannot hear their prayers because they cannot come before HIM in sin.

HE assign's a person or persons with a purer heart to stand before HIM in prayer for that person or thing.

JESUS said the devil will use the devices to keep the believer's heart filled with sin so they can have an ineffective prayer life.

JESUS reminded the little girl of Matthew 18.

The more the little girl asked for a pure heart before the LORD GOD Almighty.

She moved closer to an effective prayer for the people in the next town.

She was moving closer to the throne of the LORD GOD Almighty to intercede for the town.

Natalie would watch her for hours as the little girl looked out the window and prayed.

The little girl thought on all these things.

The little girl knew she would never have any friends like Joshua.

She knew she would never have this earthly love they show to her.

The little girl knew the dirt road she journeyed on would be full of deceitful people who want to be her friend.

But she has been around true friends, she can tell the difference.

She knew she would be in the bad weather.

The little girl knew no one would take her in and give her shelter from the storm, but JESUS.

She knew many will not listen to her invitation to the KING's banquet.

They would scoff at her and try to belittle her and abuse her.

She could not allow them to beat her again.

To throw her in a well.

To scar her or set the dogs on her to eat her alive.

The terrible pain in her body was a never ending witness of people who are evil.

She thought about all the bad things that have happened to her on her short journey on the dirt road.

The little girl thought on the faithfulness of JESUS and the FATHER.

She thought about THEIR love for her and how THEY helped her to grow in THEIR Word.

She thought about the beautiful painting JESUS showed she was painting with her effective prayers before the LORD GOD Almighty.

She thought about how JESUS and the LORD GOD Almighty revealed THEMSELVES to her.

THEY allowed her to see them and to know them.

The little girl had laid on her stomach for six months.

She yawned and turned on her side.

Falling asleep she said, "I know the pain, suffering, cold, nakedness, rejection, being cast out, poverty and evilness of man. I thank YOU for giving me a good place to rest and be healed with people YOU put YOUR love and care in. I have a long journey in this life on the dirt road. BUT to know YOU and JESUS is worth it all. I choose YOU FATHER and JESUS. Amen."

The LORD GOD Almighty was sitting and watching the little girl.

JESUS was standing on the right of the LORD GOD Almighty.

The little girl yawned and closed her eyes.

There were many books opened in the presence of the LORD GOD Almighty and JESUS.

The many angels and scribes looked at the ONE WHO sat on the throne.

HE began to speak.

The angels and scribes began to write.

The attendant sighed and smile. He listened.

The strange man listened.

The new commander listened.

They listened to the instructions that were written in the books.

Because the battle the little girl would face would be great.

She would be the person the LORD GOD Almighty could use because she had a heart of a child.

She had a pure heart and she trusted THEM.

The HOLY GHOST appeared and stood on the left of the LORD GOD Almighty.

The little girl slept and had peace.
