

Sound of whip cracking
the air hitting and
ripping and the blood
began to flow as JESUS
moans.

The Fold Of GOD

SONGS

Your blood flowed through your stripes.
Ran down your back.

Showed your love for me and those who You came to redeem for the FATHER.

You said if one was lost You would go and find the lost sheep and bring me back to the fold.

The Fold of GOD.

Your blood made the way for You to go into the world and find GOD's sheep and bring us back to the Fold.

The Fold of GOD.

See JESUS with sandals, white robe and medium Red vest with shoulder length brown hair with one foot on a gray mountain looking at us.
