

JESUS the Christ spoke to me December 8, 2019 around 11:30 am.

HE said, he will return soon.

Not all will go back with Him.

Only the ones who had "light".

Pray for the "light".

The Word of God.

Let the Holy Ghost do His perfect work.

Let us not be the unwise virgin that used up all their oil and had no oil to "light" their lamps to go out and meet the bridegroom.

We are the "light" of the world.

We are the candles that man sit on the table to give all "in the house light".

Let us pray to go to help us to want to become the "light" so we can be caught up with JESUS.

Only those with the "light" (the living Word of God) will be translated with JESUS.

Let us put aside the weight that so easily beset us and run this race, so when JESUS' imminent return, we will have the "light" to go back with Him.

We would have been submissive to the Word of God and allowed the Word to do it's perfect work in us, so we can walk in agreement with God's word which is "light".
